About Sperox

At Sperox, we blend experience with innovation to craft exceptional 600x1200mm tiles. With deep roots in the ceramic industry, our state-of-the-art production plant ensures precision and excellence. Built on values of integrity, customer satisfaction, timely supply, and sustainability, we create surfaces that redefine spaces with elegance, durability, and reliability.

Color Inspiration

sperox
ART OF SURFACES

The radiant hues of our Golden Marble series draw inspiration from nature's most exquisite treasures. Soft golden tones blend seamlessly with delicate veining, mirroring the warmth of sunlight kissing the earth, creating a serene and luxurious ambiance.

Each shade tells a story of timeless elegance, evoking the richness of classic palaces and modern artistry alike. Whether bathed in natural light or glowing under chandeliers, these golden hues redefine opulence in every space.

Our Product

600x1200mm | 09mm Thickness
GVT-PGVT

This series offers a luxurious finish with a wide range of designs and shades. With around hundred unique tiles, it brings elegance and versatility, making every space shine with timeless beauty and sophistication.
